Guru Nanak Dev Engineering College Ludhiana

Department of Civil Engineering

Graduate Exit Survey

Rate abilities/skills/attributes you acquired during the program (M. Tech-Structural Engg.) regarding:

(a)Independently carrying out research/investigation in 'Structural Engineering' domain:

Rank 1 to 5, 1 = lowest and 5 = highest

_____

(b)Writing a substantial technical report/document

Rank 1 to 5, 1 = lowest and 5 = highest

_____

(c)Practical demonstration of field experiments as per industrial requirements

Rank 1 to 5, 1 = lowest and 5 = highest

_____

(d)Solving engineering problems related to structural engineering domain

Rank 1 to 5, 1 = lowest and 5 = highest

_____

(e)Analyzing and designing different types of structures using available softwares

Rank 1 to 5, 1 = lowest and 5 = highest

_____

(f)Conduct of lab. experiments and interpretation of test results related to structural analysis/design

Rank 1 to 5, 1 = lowest and 5 = highest

_____
