# Objective

The objective of this two day workshop is to provide insight into structured technical reports writing, which is of utmost importance for any research project including M.Tech and Ph.D degree programmes.

The participants would be guided on the selection of tools based on the philosophy that authors should be able to focus on the content of what they are writing without going through the pain of achieving required format. The tools to be discussed are possessing superior support for automatic formatting, mathematical equations, graphics, bibliography and handling of references over the traditional tools. This workshop will enable the academicians to productively utilise their valuable time in conducting research rather than spending time in formatting their reports/thesis. The workshop will focus on:

1. Introduction about tools
2. Basic Document Creation and Formatting the Document
3. Handling Graphics.
4. Handling References

## Who can apply?

The workshop is designed for the M.Tech students, academicians, research scholars, faculty members, and professionals, who are keen to learn innovative and time saving tools suitable for producing research reports.

## Workshop Venue, Dates and Timings

Venue: Seminar Hall, Consultancy Cell (<http://bit.do/tccSeminarHall>)

Dates: January 19 - 20, 2016

Timings: 09:00 a.m. to 05:00 p.m.

## Resource Persons

Resource persons to conduct the workshop are in-house expert faculty members with excellent track record of accomplishment in technical education, research and out-reach.

# About Institute

Guru Nanak Dev Engineering College (GNDEC), Ludhiana (established in 1956), is one of the oldest and a premier Engineering Institute of India. The Institute is set up on 88 acres of sprawling pristine land along SH 11, i.e. Gill Road (Ludhiana-Malerkotla Highway). The foundation stone of the college was laid by Honourable Dr. Rajendra Prasad Ji, President of India on April 8, 1956. GNDEC is now an autonomous college under UGC Act 1956 [2(f) and 12(B)]. The Institution has seven Under-Graduate (UG) programmes, thirteen Post-Graduate (PG) programmes, besides being a QIP centre for Ph.D. All the undergraduate courses of the Institute are accredited by National Board of Accreditation (NBA), AICTE, New Delhi.

# About Department

## **Civil Engineering:**

Civil Engineering Department has been accredited by National Board of Accreditation (NBA) since 2004 and is running three full time PG programmes (Structural Engineering; Geo-technical Engineering; Environmental Science and Engineering) and one part-time PG programme (Soil Mechanics and Foundation Engineering) along with UG programme in Civil Engineering in two shifts. The department has the state of art facilities for R&D activities.

## **Computer Science & Engineering:**

Computer Science & Engineering Department was established in 1997 and has been accredited by National Board of Accreditation (NBA). Department is currently offering UG and PG programmes with an intake of 180 and 18 respectively. The department has various laboratories equipped with state-of-the-art computing facilities to support the research and teaching activities.
