

## International Programs Organized By Civil Engineering Department

S No	Event	Year	Theme of event	Program Coordinator	Remarks
1	International Conference	2011	Concrete for 21st Century Construction	HS Rai, Harvinder Singh, Jagbir Singh, KS Bedi	DST sponsored under UKIERI in association with eight institutes of higher education.
2	International workshop	2012	Reinforced-soil and Geosynthetic Engineering	JN Jha, KS Gill, Harvinder Singh, Jagbir Singh	In association with Edith Cowan University, Australia
3	International Conference	2013	Innovations in Concrete Construction	HS Rai, Jagbir Singh, KS Bedi, Harvinder Singh	In association with NIT Jalandhar and Dundee University, Scotland
4	International workshop	2014	Forensic Geotechnical Engineering	JN Jha, KS Gill, Harvinder Singh, Jagbir Singh	In association with technical committee TC 302 of ISSMGE
5	International Conference	2015	Innovations in Concrete Construction	HS Rai, J N Jha, Jagbir Singh, KS Bedi	In association with NIT Jalandhar and Dundee University, Scotland
6	Training Program	2015	Geotechnical Investigations and Ground Improvement with Geosynthetics for Structural and Construction Engineers	JN Jha, KS Gill, Harvinder Singh, Jagbir Singh	In association with Edith Cowan University, Australia
7	International Conference	2018	Sustainable Waste Management through Design	Harvinder Singh Prashant Garg Inderpreet Kaur	In association with Indian Geotechnical Society Ludhiana Chapter and Institution of Engineers (I): Local Chapter
8	International Conference	2020	Sustainable Development through Engineering Innovations	Harvinder Singh Prashant Garg Puneet Pal Singh	In association with TEQIP-III, GNDEC and Indian Geotechnical Society Ludhiana Chapter
