Following decisions were taken against the agenda items:

1. Department presented syllabus of various subjects of 5th semester for B.Tech (Civil Engineering) (applicable for batch 2018 and onward), the study scheme of which and

- subjects of 3rd & 4th semester were approved in 10th meeting. The syllabus was discussed and approved by BoS.
2. Department proposed the swapping of course “*Engineering Economics, Estimation and Costing*” with “*Elements of Earthquake Engineering*” from 6th semester to 5th semester and vice-versa without changing the total marks of semester and same was approved by BOS.
 3. The proposal of inclusion of six months training in current study scheme was discussed and BOS recommends exploring the possibility for the same and putting up in next meeting.
 4. Due to pandemic COVID-19, department proposed to conduct the training for students after 2nd and 4th semester through online mode only for this session and same was approved by BOS.
 5. A list of MOOC courses for the session July – November, 2020 was finalised for B. Tech. (batch 2018 and onward) students to qualify for “Civil Engineering” as Minor Engineering Branch.
 6. A list of MOOC courses for the session July – November, 2020 was finalised for B. Tech. (batch 2018 and onward) students to qualify for B. Tech. Civil Engineering (Honor) degree.
 7. A list of examiners for UG and PG was presented and it was approved by the BOS. The chairperson is authorized for the modification in it in anticipation of the approval from the Board.

The meeting ended with vote of thanks to all attendee.

Dr. H. S. Rai
(Chairman)
