NOTICE

Pre submission presentations of M.Tech. students of 2017-2019 (FT) & 2016-2019 (PT) batches can be made up to 10th June 2019, and submission of spiral bound report (final) can be done by 17th June 2019. All M.Tech. supervisors are thus requested to encourage their candidates to complete the work and write the thesis at the earliest so as to meet the timeline. For any given program, not more than 4 presentations are allowed on a single day. Thus all supervisors are requested to submit the tentative date of pre-thesis submission by 10/05/2019 through mail so that the exact schedule can be decided by the respective DRC.
