

## SCHEDULE OF "INDUSTRY ORIENTED PROGRAM"

Following is the 2-week schedule regarding 'Industry Oriented Program' for B.Tech. (Civil Engg.) students of batch 2015-2019, who will be on industrial training from June 2018 to Nov 2018 (7<sup>th</sup> Sem.)

| S. No. | Date       | Topic  | Time  | Venue                                   | Expert/Agency                 |
|--------|------------|--|---|---|-------------------------------|
| 1      | 11/06/2018 | How to start building the blocks of life?        | 9:30 to 12:45                               | Auditorium                              | Er. Gursharan Singh           |
| 2      | 12/06/2018 | Soil Investigation                               | Gp. 1: 10:00 to 11:30                       | Consultancy Seminar Hall                | Prof. Charanjit Singh         |
|        |            | Pavement Design                                  | Gp. 2: 12:00 to 1:30                        |   | Prof. Prashant Garg           |
| 3      | 13/06/2018 | New Equipments & techniques in Civil Engineering | Gp. 1: 11:00 to 1:00<br>Gp. 1: 2:00 to 4:00 | Consultancy Seminar Hall / Concrete Lab | HILTI<br>(Parshant Sharma)    |
|        |            |  | Gp. 2: 11:00 to 1:00<br>Gp. 2: 2:00 to 4:00 | Concrete Lab / Consultancy Seminar Hall |                               |
| 4      | 14/06/2018 | Soil Investigation                               | Gp. 2: 10:00 to 11:30                       | Consultancy Seminar Hall                | Prof. Charanjit Singh         |
|        |            | Pavement Design                                  | Gp. 1: 12:00 to 1:30                        |   | Prof. Prashant Garg           |
| 5      | 15/06/2018 | Construction Chemicals                           | 10:00 to 11:30                              | Consultancy Seminar Hall                | SIKA<br>(Ashish Vashisht)     |
| 6      | 16/06/2018 | Structural Design                                | Gp. 1: 10:00 to 11:30                       | Consultancy Seminar Hall                | Prof. Harvinder Singh         |
|        |            | Steel Design                                     | Gp. 2: 12:00 to 1:30                        |   | Prof. Harpal Singh            |
| 7      | 18/06/2018 | Personal development and soft skills             | 9:00 to 11:00                               | Auditorium                              | DISHA<br>(Er. Ankitpal Singh) |
|        |            |  | 11:30 to 1:30                               |   |                               |
| 8      | 19/06/2018 | Personal development and soft skills             | 9:00 to 11:00                               | Auditorium                              | DISHA<br>(Er. Ankitpal Singh) |
|        |            |  | 11:30 to 1:30                               |   |                               |
| 9      | 20/06/2018 | Structural Design                                | Gp. 2: 10:00 to 11:30                       | Consultancy Seminar Hall                | Prof. Harvinder Singh         |
|        |            | Steel Design                                     | Gp. 1: 12:00 to 1:30                        |   | Prof. Harpal Singh            |
| 10     | 21/06/2018 | Written test                                     | 10:00 to 11:20                              | G1/G2/G3                                | Prof. Kulwinder Singh         |

**NOTE 1:** Gp 1: URN 1507350 to URN 1507512  
Gp 2: URN 1507513 to URN 1606628

**NOTE 2:** Multiple choice exam (80 questions) will be conducted for 160 marks, and 40 marks will be for daily attendance during the program. **Students are supposed to be present at the designated venues before the start time mentioned above.** It is compulsory for students to obtain minimum passing marks (40 %) to clear the subject.
